## General Information about the Family Award:

The award is available to Scouter Families (registered in the BSA) who have rendered service of an outstanding nature within their District. The award is a council award presented by the District in the same manner that the Silver Beaver is a national award presented by the Council. The Award is made available annually, one per district. The District need not present the award each year. The award selection committee is composed of distinguished, dedicated, and knowledgeable Scouters drawn from the community. Each member of the selection committee has previously received the Family Award.

## Requirements:

- The nominees must be registered Scouters.
- The nominees must have rendered noteworthy service to youth.
- The nature and value of the “noteworthy service” may consist of a single plan or decision that contributed vitally to the lives of large numbers of youth, or it may have been given to a small group over an extended period of time.
- Consideration should be given to the nominees’ position and the corresponding opportunity to render outstanding service beyond the expectation of duty in that position.
- The nominees’ attitude toward and cooperation with other Scouters-both volunteers and professional – is to be taken into consideration.

## A Reminder:

You may want to enlist the help of the nominee’s friends and associates in Scouting in completing this nomination form. Please be careful to gather information in confidence, cautioning all involved not to reveal these actions on behalf of the nominees.
