

2023 Camp4All Talking Points

Sample Talking Points Begins Here

When you think of Scouting, you probably envision camping, hiking, and perhaps doing a good deed daily. While each of these actions is part of Scouting, what sets Scouting apart from other programs is the values instilled in young people that

help them become productive adults.

At every troop meeting, Scouts declare both the Scout Oath and Law. To millions of Scouts, alumni, and volunteers across the country, the Scout Law is the foundation of Scouting. The standards are high as Scouts are challenged to use these values to guide their actions. And Scouting has been instilling these values, one child at a time, since 1910!

Thanks to more than 8,000 adult volunteers, the Cascade Pacific Council, Boy Scouts of America serves boys and girls across 19 counties of northwest Oregon and southwest Washington with quality Scouting programs that provide the three essentials for positive youth development: life-skills- building experiences, youth leadership opportunities, and positive, long-term relationships with caring adult mentors.

Why Camp4All?

Our goal with Camp4All is to give all Scouts an opportunity to go to summer camp and give them a safe, fun, life-changing experience in the outdoors.

The Outcomes: Outdoor Experiences are Life-Changing

We have some of the most impressive camp properties in the BSA. Camp4All support from units, volunteers, parents, alumni, and the community ensures:

- **Life-changing experiences.** More youth will unplug, have incredible personal growth, and gain a life-long appreciation for the outdoors.
- **More scholarships** so that every Scout can camp.
- **Exceptional programs.** We will be able to invest in even more innovative experiences and quality programs.
- **Superior properties.** We will have clean, well-maintained, and some of the best properties in the BSA.
