

2022 National Poison Prevention Week

Poster Showcase

What's It All About?

1. Theme

Poison Awareness and Control is for Everyone!

Home safety and poison prevention is something that is necessary for everyone at every age, babies to older adults.

To create poison prevention safety messaging by kids for kids.

To educate the public about the dangers of poisons.

2. Goal

3. When?
Mark your calendar!

National Poison Prevention Week is the 3rd week in March each year. The US chose this week to highlight the dangers of poisonings and how to prevent them.
