For more than 100 years, this has been the BSA's promise to parents and youth across America. It resides in the heart of every Scout who ever overcame one of life's challenges. It is the value of being prepared — the core of Scouting and a statement that inspires a lifetime of character, leadership and service.

Prepared. For Life.™

OUR PROGRAMS:

CUB SCOUTS: Kids ages K–5th grade

Cub Scouting offers boys and girls the opportunity to see and learn fun, new things that can't be found anywhere else. Cub Scouts are at that magical age where everything is new and possible and, most important, fun. The life lessons learned here not only transform today's Cub Scouts into tomorrow's Scouts BSA members but also help form a foundation to embrace opportunity and overcome obstacles in life.

SCOUTS BSA: All youth ages 11–17

In Scouts BSA, leadership is learned through adventure, both in the great outdoors and in our communities. Here, young people learn leadership by putting the principles of Scouting into practice every day. In this time-tested program, youth lead their own activities and work their way toward earning Scouting's highest rank, Eagle Scout.

VENTURING: All youth ages 14–20

Venturing is a program that focuses on adventure, leadership, personal growth, and service. Venturing's motto, "Lead the Adventure," reminds Venturers to always pursue life in the spirit of adventure. Venturing crews are youth-led and adult-advised.

SEA SCOUTS: All youth ages 14–20

For over 100 years Sea Scouting has promoted better citizenship and improved members' boating skills through instruction and practice in water safety, boating skills, outdoor, social, service experiences, and knowledge of our maritime heritage. Sea Scout units— called ships— are established all across the country on oceans, bays, rivers, and lakes. They provide limitless opportunities and exciting challenges that you won't find anywhere else.
