

"10" ESSENTIALS

Sung to the tune of "My Favorite Things"

Pocket knife, rain gear
And trail food and flashlight
clothing, first aid kit

And sunscreen and compass

Shelter and fire starter

Water bottle and string

This is a list of our essential things.

....

When the bugs bite

When the sun burns

When I cut my hand

I simply remember I brought all these things

And then I don't feel

Sooooo baaaaaad.
